One of Oscoda County's best kept secrets, is our unique shopping opportunities, you'll find they are littered with great deals in places you never thought of. We all know about the downtown shopping in Mio, Fairview, Luzerne and Comins and the Amish Community and their local stores, but have you ever thought about an Auction? Oscoda County has 2 auction houses between Mio and Fairview, you'll find the excitement and thrill of a live auction exhilarating, not your normal shopping experience, not to mention that great find at a bargain price. On any given Saturday you will see the parking lot filled at Let's Talk Auction on the corner of M-33 and Perry Creek Road, go to the auction and find out how fun it can be.

Maybe you like a little slower pace shopping experience, just north of Mio you'll find the Mio Flea Market, well known by the locals for great buys, the deals are ever changing, and the Flea Market offers a uniquely different shopping experience that you'll love.

Take that turn you never have before and as you explore Oscoda County you will find any number of Antique shops and Second hand shops. You can pour through the special and different finds; the toy you had as a child, tool you remember your grandparents using.
